

Other Venue Records as at 9th of June, 2020

These records are achieved by Caulfield Athletes at any venue other than Duncan Mackinnon.

These are generally Open Days at other Centres. They will not include performances at Region or State as those performances are considered in official CLAC records. Caulfield LAC has recognised “other venue” records since Season 2007/08. If you attend any Open Days or compete at another Little Athletics centre this season, other than at our track, and you better any of the performances listed in this table, just bring your result ticket to Caulfield and give it to a Centre Executive or email all information to competition@caulfieldlittleaths.org.au
